This matter is before the Court pursuant to 28 U.S.C. § 636(c). Consent of the plaintiff has not been obtained, and no service has been executed upon the defendant. Upon review of the file, the undersigned notes that by order dated February 21, 2012, plaintiff was directed to file with the court, within fourteen (14) days, the reasons for the delay in serving defendant, and the reasons why the complaint should not be dismissed because of plaintiff's failure to complete service upon defendant within 120 days of the filing of the complaint, pursuant to Fed. R. Civ. P. 4(m). In its order, the Court advised that if plaintiff failed to show good cause for the delay in serving defendant, or failed to comply with the order, the action could be dismissed without prejudice.

Accordingly,

UNITED STATES MAGISTRATE JUDGE

Dated this 19th day of March, 2012.
